## PRAYER SUGGESTIONS

El Emunah, your faithfulness convinces me that nothing can ever separate me from your love. Neither death nor life, neither fear nor worry— not even the powers of hell can separate me from you because you are faithful. I honour and adore you for the faithfulness you show me even when I am unfaithful to you. I praise you for keeping your covenant of love not only to me but also to a thousand generations of those who love you and seek you with all of their hearts, minds, and souls. I praise you, El Emunah, for the faithfulness that you revealed in writing and recording your Word for my instruction so that through endurance and the encouragement of your Scriptures, I might have hope.

El Emunah, your faithfulness reminds me that I'm not always faithful to you. Although I have a heart to be faithful to you, situations arise that evoke fears and doubt, tempting me to make choices of self-preservation, selfishness, and greed. I confess that I am not always emunah to you or to those around me. I have dropped the ball far too often. Forgive me for my frailty and emotional exploits. Remind me again and again of your faithfulness so that I will grow to be more like you.

El Emunah, thank you for your faithfulness to me. Thank you for the many times I've seen you show up in my life when I didn't know how I was going to pay the bills, how I would ever be healed, or how I would find relational peace in the midst of chaos and conflict. Thank you for being faithful time and time again to the words you have placed in my heart and to your promises in Scripture.

## SCRIPTURE

Know therefore that the LORD your God is God; he is the faithful God [El Emunah], keeping his covenant of love to a thousand generations of those who love him and keep his commandments.

DEUTERONOMY 7: 9 NIV

## EL EMUNAH

### THE FAITHFUL GOD

---

El Emunah, it's easy to begin to doubt your faithfulness when I have to keep coming back to you again and again to confess where I've blown it. I ask you to strengthen the resolve in my spirit to truly believe that you are El Emunah and that because you're faithful, you will never abandon me. You have promised never to leave me or to forsake me. I ask you to open the eyes of my heart so I can see your faithfulness and stand without a shadow of a doubt in the confidence of a covenant relationship with you.
